Our show features antique tractors, steam traction engines, stationary engines, antique machinery and tools, antique trucks and cars, demonstrations of blacksmithing, barrel making, spinning yarn, etc! Food and beverages are available. Primitive camping allowed on site (for exhibitors only). Move in of exhibits may begin Sunday August 22nd, but overnight security is not provided until Thursday evening, Aug. 26th. Exhibits must be removed by Monday evening, August 30th.

***The Yesteryear Show will sell to the highest bidder a restored 1944 John Deere Model A tractor. This tractor has a hand-start engine, and is a tricycle front-end model (two wheel). It runs VERY WELL! The auction will also include a number of donated items of all descriptions. The auction is conducted by W-W Auctions who donate their time and talent to help our show!**

For more information, contact: Harvey Nelson (303) 776-5171, or Ken Howe (303) 776-6459.
