MORNING AUCTION - BE ON TIME!

Jerry Sheaman was a resident of this area for over 60 years. During those years he was in the hay business, real estate business, installed hardwood floors, and was eager to take on any repair job in his shop. He rebuilt many of these items listed on this auction, and he exemplified his spirit for life while doing all of this work. The more challenging the work was, the better he liked it. He was a joy to be around. We hope you come to Jerry's auction and spend the morning with us.
