

# Benefit Dinner & Auction!

Thursday, September 16th, 2010

Where: The Tapestry House

3212 N. Overland Trail, LaPorte, Colorado

6:00-9:30 PM

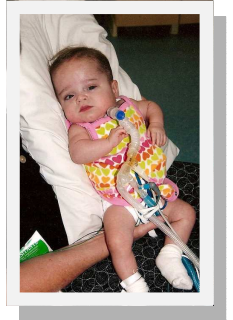

Sierra Brewster is a little girl born to Brian and Keri Brewster on September 3, 2009, born 3 months early she weighed 1 pound 4 ounces. She has yet to come home, as she has spent her short life at Children's Hospital in Denver.

Brian and Keri live in Wellington and have a 3 year old son, Blake, as well. Keri is a postal carrier and Brian is self-employed in farming and ranching. Above and beyond the medical expenses and the everyday life expenses of driving back and forth to Denver, the last year has been overwhelming to this family.

Our hope is that through this event the financial concerns that go with the expenses of treatments/therapy that Sierra will need will be lessened.

We welcome any and all that would like to attend this Benefit & Celebration of Sierra's First Birthday!!
