(1 mile south of Hwy 402 on Hwy 287)

SATURDAY,
SEPT. 24, 2011
9:00 AM

For info call Matt Boyles (970) 566-8256

Belmire is reducing inventory in preparation for winter, and they are conducting this tree and shrub auction early enough so that you have time to plant these trees this fall. These are healthy, good quality trees and will be sold individually with the option to take as many as they desire, so this will accommodate all buyers needs. This is a great opportunity to purchase trees at a bargain price.
